Gentlemen:

This will confirm prior verbal approval given you to proceed with studies and technical investigations in an endeavor to eliminate RF interference in the trackers.

A final report shall be submitted to the undersigned setting forth the results of the studies and investigations, including therein graphs indicating accomplishments with regard to the RF interference noise level of the tracker in relation to desired minimum noise level for satisfactory system operation.

This work is authorized under and is to be charged to Contract No. SC-56-42. The estimated cost of this work is \$3,000.

You are requested to keep this office currently informed of your findings under this program.

Very truly yours,

Contracting Officer
